Public and private non-profit organizations meeting the provisions described in Internal Revenue Code section 26 U.S.C. 501(c)(3) may submit proposals for projects designed to reach out to youth and promote mutual understanding by increasing the professional capacity of those who design and manage youth sports programs in select countries in Africa, East Asia and the Pacific, the Near East and North Africa, South and Central Asia, Europe, and the Western Hemisphere. The focus of all programs must be on reaching out to both male and female youth ages 7-17

and/or their coaches/administrators. Programs designed to train elite athletes or coaches will not be considered.

Eligible countries and territories in each region are:

Africa: Botswana, Cameroon, Mali, Mozambique, Niger, Uganda, and Zambia; **East Asia and the Pacific:** Australia, Brunei, Burma, China, Federated States of Micronesia, Fiji, Laos, Malaysia, New Zealand, Singapore, Taiwan, and Timor-Leste; **Near East and North Africa:** Bahrain, Egypt, Iraq, Israel, Jordan, Kuwait, Lebanon, Qatar, Saudi Arabia, Tunisia, United Arab Emirates, and West Bank/Gaza; **South and Central Asia:** Afghanistan, Bangladesh, India, Kazakhstan, Kyrgyzstan, Nepal, Maldives, Pakistan, Sri Lanka, Tajikistan, and Turkmenistan; **Europe:** Armenia, Azerbaijan, Bosnia, Cyprus, Kosovo, Montenegro, Serbia, and Turkey; and the **Western Hemisphere:** Argentina, Bolivia, El Salvador, Haiti, Mexico, Panama, Paraguay, and a multi-country program that MUST include Guyana, Surinam, and Trinidad and Tobago.

Proposals may address multiple countries, but all the countries must then be in the same region. Please see Section III.3. for more information on eligibility

requirements. *Funding Under this Competition is pending the availability of FY 2011 funds.*

I. Funding Opportunity Description:

Authority: Overall grant making authority for this program is contained in the Mutual Educational and Cultural Exchange Act of 1961, Public Law 87-256, as amended, also known as the Fulbright-Hays Act. The purpose of the Act is "to enable the Government of the United States to increase mutual understanding between the people of the United States and the people of other countries...; to strengthen the ties which unite us with other nations by demonstrating the educational and cultural interests, developments, and achievements of the people of the United States and other nations...and thus to assist in the development of friendly, sympathetic and peaceful relations between the United States and the other countries of the world." The funding authority for the program above is provided through legislation.

Purpose: The Office of Citizen Exchanges welcomes proposals for two-way exchanges (one component in the United States and the other in the chosen country) that directly respond

to the thematic areas outlined below. Please see Section III.3. for more information on eligibility requirements.

Themes :

(1) Training Sports Coaches

Exchanges funded under this theme will focus on aiding youth and secondary school coaches in the target countries in the development and implementation of appropriate training methodologies. The goal is to ensure the optimal technical proficiency among the coaches participating in the program, while also emphasizing the role sports can play in the long-term well-being of youth.

(2) Youth Sports Management

Exchanges funded under this theme will enable American and foreign youth sport coaches, administrators, and sport association officials to share their experiences in managing and organizing youth sports activities. These exchanges should advance cross-cultural understanding of the role of sports as a significant factor in educational success.

(3) Sport and Disability

Exchanges funded under this theme are designed to promote and sponsor sports, recreation, fitness, and leisure events for children and adults with disabilities. Project goals include improving the quality of life for people with disabilities by providing affordable, inclusive sports experiences that build self-esteem and confidence, enhancing active participation in community life, and making a significant contribution to the physical and psychological health of people with disabilities.

Proposals under this theme aim to demonstrate that people with a disability can be included in sports opportunities in their communities, and will develop opportunities for them to do so.

(4) Sport and Health

Exchanges funded under this theme will focus on effective and practical ways to use sports personalities and sports health professionals to increase awareness among young people of the importance of following a healthy lifestyle to reduce illness, prevent injuries and speed rehabilitation and recovery. Emphasis will be on the responsibility of the broader community to support healthy behavior. The project goals are to promote and integrate

scientific research, education, and practical applications of sports medicine and exercise science to maintain and enhance physical performance, fitness, health, and quality of life. (Actual medical training and dispensing of medications are outside the purview of this theme.)

The pursuit of academic degrees from U.S. institutions is not an acceptable focus of this program. Please see Section III.3. for more information on eligibility requirements.

No guarantee is made or implied that grants will be awarded in all themes or for all countries listed.

Audience: The intended audience is non-elite youth, coaches, community leaders, and non-governmental organizations.

Ideal Program Model: The following are suggested program structures:

- A U.S. grantee identifies U.S. citizens to conduct a multi-location, in-country program overseas that includes clinics and training sessions for: male and female

athletes; government officials (Ministry of Sports and Ministry of Education); coaches (adult and youth); NGO representatives (including representatives from relevant sports federations); community officials (including local authorities associated with recreational facilities); youth audiences (equal numbers of boys and girls); and sports management professionals to support one of the themes listed.

- An in-country partner overseas (a local university, government agency or other appropriate organization, such as a relevant sports federation) co-hosts an activity with the U.S. grantee institution, and participates in the selection of participants for a U.S. program.
- A U.S. program that includes site visits designed to provide participants with exposure to American youth and coaches, sports education in the United States, background information on U.S. approaches to the themes listed in the announcement, relevant cultural activities, and a debriefing and evaluation.
- U.S. experts who worked with participants from overseas implement an in-country program.
- Participants in the U.S. program design in-country projects and serve as co-presenters.

- Materials are translated into the relevant language for use in future projects.
- Small grants are dispersed for projects designed to expand the exchange experience.
- All participants are encouraged to enroll in the Bureau of Education and Cultural Affairs' alumni website <https://alumni.state.gov>.

U.S. Embassy Involvement: Applicants are strongly encouraged to consult with Public Affairs Officers at U.S. Embassies in relevant countries as they develop proposals responding to this RFGP. It is important that the proposal narrative clearly state the applicant's commitment to consult closely with the Public Affairs Section of the U.S. Embassy in the relevant country/countries to develop plans for project implementation, to select project participants, and to publicize the program through the media. Proposals should acknowledge U.S. Embassy involvement in the final selection of all participants.

Media: Proposals should include specific strategies for publicizing the project, both in the United States and overseas, as applicable. Sample materials can be included

in the appendix. In any contact with the media (print, television, web, etc.) applicants must acknowledge the SportsUnited Division of the Bureau of Educational and Cultural Affairs of the U.S. Department of State funding for the program. Prior to information being released to the media, the ECA Program Office(r) must approve the document. All grantees are required to submit photos, highlights, and/or media clips for posting on the ECA website: <http://exchanges.state.gov/sports/>.

Participant Selection: Proposals should clearly describe the types of persons that will participate in the program, as well as the participant recruitment and selection processes. It is a priority of the office to include female participants in all of its programs. In the selection of foreign participants, the Bureau and U.S. Embassies retain the right to review all participant nominations and to accept or refuse participants recommended by grantee institutions. When U.S. participants are selected, grantee institutions must provide their names and biographical data to the Program Officer at the SportsUnited Office. Priority in two-way

exchange proposals will be given to foreign participants who have not previously traveled to the United States.

II. Award Information:

Type of Award: Grant Agreement

Fiscal Year Funds: 2011

Approximate Total Funding: \$2,000,000

Approximate Number of Awards: 8-12

Approximate Average Award: \$225,000

Ceiling of Award Range: \$225,000

Floor of Award Range: \$60,000

Anticipated Award Date: Pending availability of funds,
August 31, 2011

Anticipated Project Completion Date: September 30, 2012 -

Projects under this competition may range in length from one to three years depending on the number of project components, the country/region targeted and the extent of the evaluation plan proposed by the applicant. The Office of Citizen Exchanges strongly encourages applicant organizations to plan enough time after project activities

are completed to measure project outcomes. Please refer to the Program Monitoring and Evaluation section, item IV.3d.3 below, for further guidance on evaluation.

III. Eligibility Information:

III.1. Eligible applicants: Applications may be submitted by public and private non-profit organizations meeting the provisions described in Internal Revenue Code section 26 USC 501(c) (3).

III.2. Cost Sharing or Matching Funds: There is no minimum or maximum percentage required for this competition. However, the Bureau encourages applicants to provide maximum levels of cost sharing and funding in support of its programs.

When cost sharing is offered, it is understood and agreed that the applicant must provide the amount of cost sharing as stipulated in its proposal and later included in an approved agreement. Cost sharing may be in the form of allowable direct or indirect costs. For accountability, you must maintain written records to support all costs which are claimed as your contribution, as well as costs to

be paid by the Federal government. Such records are subject to audit. The basis for determining the value of cash and in-kind contributions must be in accordance with OMB Circular A-110, (Revised), Subpart C.23 - Cost Sharing and Matching. In the event you do not provide the minimum amount of cost sharing as stipulated in the approved budget, ECA's contribution will be reduced in like proportion.

III.3. Other Eligibility Requirements:

a.) Grants awarded to eligible organizations with less than four years of experience in conducting international exchange programs will be limited to \$60,000.

Organizations that only qualify for the \$60,000 level may choose to conduct a one-way exchange, but must explain how the objectives of Americans interacting with foreign participants will still be achieved.

b.) Technical Eligibility:

It is imperative that all proposals follow the requirements outlined in the Proposal Submission Instructions (PSI) technical format and instructions document. Additionally, all proposals must comply with the following or they will

result in your proposal being deemed technically ineligible and will not receive further consideration in the review process:

- Applicants may not submit more than one (1) proposal for this competition. Organizations that submit proposals that exceed these limits will result in having all of their proposals deemed technically ineligible.
- Proposals for countries that are not designated in the RFGP or that address more than one region will be deemed technically ineligible.
- Proposals for themes not listed above will be deemed technically ineligible.
- The Office of Citizen Exchanges does not support proposals limited to conferences or seminars (i.e., one- to fourteen- day programs with plenary sessions, main speakers, panels, and a passive audience). It will support conferences only when they are a small part of a larger project in duration that is receiving Bureau funding from this competition. No funding is available exclusively to send U.S. citizens to conferences or conference type seminars overseas; nor is funding available for bringing foreign nationals to conferences

or to routine professional association meetings in the United States.

- The Office of Citizen Exchanges does not support academic research or faculty or student fellowships. Proposals that have only an academic focus will be deemed technically ineligible.

IV. Application and Submission Information:

Before submitting a proposal, all applicants are strongly encouraged to consult with the Washington, D.C. - based Department of State contact for the themes/regions listed in this solicitation.

Note: Please read the complete announcement before sending inquiries or submitting proposals. Once the RFGP deadline has passed, Bureau staff may not discuss this competition with applicants until the proposal review process has been completed.

In addition to final program reporting requirements, award recipients will also be required to submit a one-page document, derived from their program reports, listing and describing their grant activities. For award recipients, the names of directors and/or senior executives (current officers, trustees, and key employees), as well as the one-page description of grant activities, will be transmitted by the State Department to OMB, along with other information required by the Federal Funding Accountability and Transparency Act (FFATA), and will be made available to the public by the Office of Management and Budget on its

USASpending.gov website as part of ECA's FFATA reporting requirements.

If your organization is a private non-profit which has not received a grant or cooperative agreement from ECA in the past three years, or if your organization received non-profit status from the IRS within the past four years, you must submit the necessary documentation to verify non-profit status as directed in the PSI document. Failure to do so will cause your proposal to be deemed technically ineligible.

IV.3d. Please take into consideration the following information when preparing your proposal narrative:

IV.3d.1 Adherence to All Regulations Governing the J Visa

The Office of Citizen Exchanges of the Bureau of Educational and Cultural Affairs is the official program sponsor of the exchange program covered by this RFGP, and an employee of the Bureau will be the "Responsible Officer" for the program under the terms of 22 CFR 62, which covers the administration of the Exchange Visitor Program (J visa program). Under the terms of 22 CFR 62, organizations

receiving awards (either a grant or cooperative agreement) under this RFGP will be third parties "cooperating with or assisting the sponsor in the conduct of the sponsor's program." The actions of recipient organizations shall be "imputed to the sponsor in evaluating the sponsor's compliance with" 22 CFR 62. Therefore, the Bureau expects that any organization receiving an award under this competition will render all assistance necessary to enable the Bureau to fully comply with 22 CFR 62 et seq.

The Bureau of Educational and Cultural Affairs places critically important emphases on the secure and proper administration of Exchange Visitor (J visa) Programs and adherence by recipient organizations and program participants to all regulations governing the J visa program status. Therefore, proposals should explicitly state in writing that the applicant is prepared to assist the Bureau in meeting all requirements governing the administration of Exchange Visitor Programs as set forth in 22 CFR 62. If your organization has experience as a designated Exchange Visitor Program Sponsor, the applicant should discuss their record of compliance with 22 CFR 62 et. seq., including the oversight of their Responsible

Officers and Alternate Responsible Officers, screening and selection of program participants, provision of pre-arrival information and orientation to participants, monitoring of participants, proper maintenance and security of forms, record-keeping, reporting and other requirements.

The Office of Citizen Exchanges of ECA will be responsible for issuing DS-2019 forms to participants in this program.

A copy of the complete regulations governing the administration of Exchange Visitor (J) programs is available at <http://exchanges.state.gov> or from:

IV.3d.2 **Diversity, Freedom and Democracy Guidelines**

Pursuant to the Bureau's authorizing legislation, programs must maintain a non-political character and should be

balanced and representative of the diversity of American political, social, and cultural life. "Diversity" should be interpreted in the broadest sense and encompass differences including, but not limited to ethnicity, race, gender, religion, geographic location, socio-economic status, and disabilities. Applicants are strongly encouraged to adhere to the advancement of this principle both in program administration and in program content. Please refer to the review criteria under the 'Support for Diversity' section for specific suggestions on incorporating diversity into your proposal. Public Law 104-319 provides that "in carrying out programs of educational and cultural exchange in countries whose people do not fully enjoy freedom and democracy," the Bureau "shall take appropriate steps to provide opportunities for participation in such programs to human rights and democracy leaders of such countries." Public Law 106 - 113 requires that the governments of the countries described above do not have inappropriate influence in the selection process. Proposals should reflect advancement of these goals in their program contents, to the full extent deemed feasible.

IV.3d.3. Program Monitoring and Evaluation

Proposals must include a plan to monitor and evaluate the project's success, both as the activities unfold and at the end of the program. The Bureau recommends that your proposal include a draft survey questionnaire or other technique plus a description of a methodology to use to link outcomes to original project objectives. The Bureau expects that the recipient organization will track participants or partners and be able to respond to key evaluation questions, including satisfaction with the program, learning as a result of the program, changes in behavior as a result of the program, and effects of the program on institutions (institutions in which participants work or partner institutions). The evaluation plan should include indicators that measure gains in mutual understanding as well as substantive knowledge.

Successful monitoring and evaluation depend heavily on setting clear goals and outcomes at the outset of a program. Your evaluation plan should include a description of your project's objectives, your anticipated project outcomes, and how and when you intend to measure these outcomes (performance indicators). The more that outcomes

are "smart" (specific, measurable, attainable, results-oriented, and placed in a reasonable time frame), the easier it will be to conduct the evaluation. You should also show how your project objectives link to the goals of the program described in this RFGP.

Your monitoring and evaluation plan should clearly distinguish between program outputs and outcomes. Outputs are products and services delivered, often stated as an amount. Output information is important to show the scope or size of project activities, but it cannot substitute for information about progress towards outcomes or the results achieved. Examples of outputs include the number of people trained or the number of seminars conducted. Outcomes, in contrast, represent specific results a project is intended to achieve and is usually measured as an extent of change. Findings on outputs and outcomes should both be reported, but the focus should be on outcomes.

We encourage you to assess the following four levels of outcomes, as they relate to the program goals set out in the RFGP (listed here in increasing order of importance):

1. **Participant satisfaction** with the program and exchange experience.
2. **Participant learning**, such as increased knowledge, aptitude, skills, and changed understanding and attitude. Learning includes both substantive (subject-specific) learning and mutual understanding.
3. **Participant behavior**, concrete actions to apply knowledge in work or community; greater participation and responsibility in civic organizations; interpretation and explanation of experiences and new knowledge gained; continued contacts between participants, community members, and others.
4. **Institutional changes**, such as increased collaboration and partnerships, policy reforms, new programming, and organizational improvements.

Please note: Consideration should be given to the appropriate timing of data collection for each level of outcome. For example, satisfaction is usually captured as a short-term outcome, whereas behavior and institutional changes are normally considered longer-term outcomes.

Overall, the quality of your monitoring and evaluation plan will be judged on how well it: 1) specifies intended outcomes; 2) gives clear descriptions of how each outcome will be measured; 3) identifies when particular outcomes will be measured; and 4) provides a clear description of the data collection strategies for each outcome (i.e., surveys, interviews, or focus groups). (Please note that evaluation plans that deal only with the first level of outcomes [satisfaction] will be deemed less competitive under the present evaluation criteria).

Recipient organizations will be required to provide reports analyzing their evaluation findings to the Bureau in their regular program reports. All data collected, including survey responses and contact information, must be maintained for a minimum of three years and provided to the Bureau upon request.

Department of State Acknowledgement

All recipients of ECA grants or cooperative agreements should be prepared to state in any announcement or publicity where it is not inappropriate that activities are assisted financially by the Bureau of Educational and

Cultural Affairs of the U.S. Department of State under the authority of the Fulbright-Hays Act of 1961, as amended.

In any contact with the media (print, television, web, etc.) applicants must acknowledge the SportsUnited Division of the Bureau of Educational and Cultural Affairs of the U.S. Department of State funding for the program. Prior to information being released to the media, the ECA Program Office(r) must approve the document.

Alumni Outreach /Follow-on Programming and Engagement

Please refer to the Proposal Submissions Instruction (PSI) document for additional guidance.

IV.3e. Please take the following information into consideration when preparing your budget:

IV.3e.1. Applicants must submit SF-424A - "Budget Information - Non-Construction Programs" along with a comprehensive budget for the entire program. For this competition, requests should not exceed \$225,000. There must be a summary budget as well as breakdowns reflecting both administrative and program budgets. Applicants may provide separate sub-budgets for each program component,

phase, location, or activity to provide clarification.

Please note that the Bureau of Educational and Cultural Affairs does not fund programs that involve building of structures of any kind, including playing fields, recreation centers, or stadiums.

IV.3e.2. Allowable costs for the program include the following:

- 1. Travel.** International and domestic airfare; visas; transit costs; ground transportation costs. Please note that all air travel must be in compliance with the Fly America Act. There is no charge for J-1 visas for participants in Bureau sponsored programs.
- 2. Per Diem.** For U.S.-based programming, organizations should use the published Federal per diem rates for individual U.S. cities. Domestic per diem rates may be accessed at: <http://www.gsa.gov/perdiem>. ECA requests applicants to budget realistic costs that reflect the local economy and do not exceed Federal per diem rates. Foreign per diem rates can be accessed at: http://aoprals.state.gov/content.asp?content_id=184&menu_id=78.
- 3. Interpreters.** For U.S.-based activities, ECA strongly

encourages applicants to hire their own locally based interpreters. One interpreter is typically needed for every four participants who require interpretation. When an applicant proposes to use interpreters, the following expenses should be included in the budget: Published Federal per diem rates (both "lodging" and "M&IE") and transportation costs per interpreter. Bureau funds cannot support interpreters who accompany delegations from their home country or travel internationally.

4. Book and Cultural Allowances. Foreign participants are entitled to a one-time cultural allowance of \$150 per person, plus a book allowance of \$50. Interpreters should be reimbursed up to \$150 for expenses when they escort participants to cultural events. U.S. program staff, trainers or participants are not eligible to receive these benefits.

5. Consultants. Consultants may be used to provide specialized expertise or to make presentations. Honoraria rates should not exceed \$250 per day. Organizations are encouraged to cost-share rates that would exceed that figure. Subcontracting organizations may also be employed, in which case the written agreement between the prospective grantee and sub-grantee should be included in the proposal.

Such sub-grants should detail the division of responsibilities and proposed costs, and subcontracts should be itemized in the budget.

6. Room Rental. The rental of meeting space should not exceed \$250 per day. Any rates that exceed this amount should be cost shared.

7. Materials. Proposals may contain costs to purchase, develop and translate materials for participants. Costs for high quality translation of materials should be anticipated and included in the budget. Grantee organizations should expect to submit a copy of all program materials to ECA, and ECA support should be acknowledged on all materials developed with its funding.

8. Equipment. Applicants may propose to use grant funds to purchase equipment, such as computers and printers; these costs should be justified in the budget narrative. Costs for furniture are not allowed.

9. Working Meal. A maximum of one working meal may be authorized per project unless extenuating circumstances exist, in which case prior approval must be obtained from a DOS Grants Officer. Unless additional working meals are approved, the Recipient agrees to reduce the participants per diem to cover the cost of any additional working

meals. In addition, per capita costs may not exceed \$45 excluding room rental. The number of invited guests shall not exceed participants by more than a factor of two-to-one.

10. Return Travel Allowance. A return travel allowance of \$70 for each foreign participant may be included in the budget. This allowance would cover incidental expenses incurred during international travel.

11. Health Insurance. Foreign participants will be covered during their participation in the U.S. program by the ECA-sponsored Accident and Sickness Program for Exchanges (ASPE). The grantee must notify the program office to enroll them. Details of that policy can be provided by the contact officers identified in this solicitation. The premium is paid by ECA and should not be included in the grant proposal budget. However, applicants are permitted to include costs for travel insurance for U.S. participants in the budget.

12. Wire Transfer Fees. When necessary, applicants may include costs to transfer funds to partner organizations overseas. Grantees are urged to research applicable taxes that may be imposed on these transfers by host governments.

13. In-country Travel Costs for visa processing purposes.

Given the requirements associated with obtaining J-1 visas for ECA-supported participants, applicants should include costs for any travel associated with visa interviews or DS-2019 pick-up.

14. Administrative Costs. Costs necessary for the effective administration of the program may include salaries for grantee organization employees, benefits, and other direct and indirect costs per detailed instructions in the Application Package. While there is no rigid ratio of administrative to program costs, proposals in which the administrative costs do not exceed 25% of the total requested ECA grant funds will be more competitive under the cost effectiveness and cost sharing criterion, per item V.1 below. Proposals should show strong administrative cost sharing contributions from the applicant, the in-country partner and other sources.

Please refer to the Solicitation Package for complete budget guidelines and formatting instructions.

IV.3g. Intergovernmental Review of Applications: Executive Order 12372 does not apply to this program.

V. Application Review Information

V.1. Review Process

The Bureau will review all proposals for technical eligibility. Proposals will be deemed ineligible if they do not fully adhere to the guidelines stated herein and in the Solicitation Package. All eligible proposals will be

reviewed by the program office, as well as the Public Diplomacy section of the relevant Embassy, where appropriate. Eligible proposals will be subject to compliance with Federal and Bureau regulations and guidelines and forwarded to Bureau grant panels for advisory review. Proposals may also be reviewed by the Office of the Legal Adviser or by other Department elements. Final funding decisions are at the discretion of the Department of State's Assistant Secretary for Educational and Cultural Affairs. Final technical authority for grants resides with the Bureau's Grants Officer.

Review Criteria

Technically eligible applications will be competitively reviewed according to the criteria stated below. These criteria are not rank ordered and all carry equal weight in the proposal evaluation:

1. Program Planning and Ability to Achieve Objectives:

Program objectives should be stated clearly and should reflect the applicant's expertise in the subject area and region. Objectives should respond to the topics in this announcement and should relate to the current conditions in

the target country/countries. A detailed agenda and relevant work plan should explain how objectives will be achieved and should include a timetable for completion of major tasks. The substance of workshops, internships, seminars and/or consulting should be described in detail. Sample training schedules should be outlined.

Responsibilities of proposed in-country partners should be clearly described. A discussion of how the applicant intends to address language issues should be included, if needed.

2. Institutional Capacity: Proposals should include: 1) the institution's mission and date of establishment; 2) detailed information about proposed in-country partner(s) and the history of the partnership; 3) an outline of prior awards—U.S. government and/or private support received for the target theme/country/region; and 4) descriptions of experienced staff members who will implement the program. The proposal should reflect the institution's expertise in the subject area and knowledge of the conditions in the target country/countries. Proposals should demonstrate an institutional record of successful exchange programs, including responsible fiscal management and full compliance with all reporting requirements for past Bureau grants as

determined by Bureau grants staff. The Bureau will consider the past performance of prior recipients and the demonstrated potential of new applicants. Proposed personnel and institutional resources should be adequate and appropriate to achieve the program's goals. The Bureau strongly encourages applicants to submit letters of support from proposed in-country partners.

3. Cost Effectiveness and Cost Sharing: Overhead and administrative costs in the proposal budget, including salaries, honoraria and subcontracts for services, should be kept to a minimum. Proposals whose administrative costs are less than twenty-five (25) per cent of the total funds requested from the Bureau will be deemed more competitive under this criterion. Applicants are strongly encouraged to cost share a portion of overhead and administrative expenses. Cost sharing, including contributions from the applicant, proposed in-country partner(s), and other sources should be included in the budget request. Proposal budgets that do not reflect cost sharing will be deemed not competitive in this category.

4. Support of Diversity: Proposals should demonstrate substantive support of the Bureau's policy on diversity. Achievable and relevant features should be cited in both

program administration (selection of participants, program venue and program evaluation) and program content (orientation and wrap-up sessions, program meetings, resource materials and follow-up activities). Applicants should refer to the Bureau's Diversity, Freedom and Democracy Guidelines in the PSI and the Diversity, Freedom and Democracy Guidelines section, Item IV.3d.2, above for additional guidance.

5. Post-Grant Activities: Applicants should provide a plan to conduct activities after the Bureau-funded project has concluded in order to ensure that Bureau-supported programs are not isolated events. Funds for all post-grant activities must be in the form of contributions from the applicant or sources outside of the Bureau. Costs for these activities must not appear in the proposal budget, but should be outlined in the narrative.

6. Program Monitoring and Evaluation: Proposals should include a detailed plan to monitor and evaluate the program. Program objectives should target clearly defined results in quantitative terms. Competitive evaluation plans will describe how applicant organizations would measure these results, and proposals should include draft data collection instruments (surveys, questionnaires, etc)

in Tab E. See the "Program Monitoring/Evaluation" section, item IV.3d.3 above for more information on the components of a competitive evaluation plan. Successful applicants (grantee institutions) will be expected to submit a report after each program component concludes or on a quarterly basis, whichever is less frequent. The Bureau also requires that grantee institutions submit a final narrative and financial report no more than 90 days after the expiration of a grant. Please refer to the "Program Management/Evaluation" section, item IV.3d.3 above for more guidance.
